EPA is committed to working closely with response agencies and state and local officials to ensure the safety of citizens, respond to concerns and to evaluate impact to water contaminated by the Gold King Mine Release. EPA is sharing information as quickly as possible with the public as experts work to evaluate any effects the spill may have on drinking water, public health, agriculture, fish and wildlife.

Please see our website for the latest information: <http://www2.epa.gov/region8/gold-king-mine-release-emergency-response>

Regular updates will be posted as they are available.

Thank you Ms. Brogden,

I appreciate your reply email. Since CRU is a contractor and looking to provide services to EPA Region 8 regarding the spill, could you please direct me to someone I could talk to in contracting or coordination of services for this event?

Thank you,

Oland Robinson, Jr.
